

REMARKS

Claims 21-34 and 46-47 are currently pending in the above-identified application. The Examiner has indicated that claims 21-34 and 46 are allowed. Claims 35-45 and 48 have been withdrawn as directed to non-elected claims and are canceled herein. Claim 47 has been canceled. Claims 23 has been amended. Claims 49-52 are added. Support for this amendment is identified in the following remarks. No new matter has been added by these amendments.

Supplemental Information Disclosure Statement

Applicant are submitting herewith a Supplemental Information Disclosure Statement (IDS) that Applicant wishes to be considered. Applicant respectfully requests that the Examiner expressly consider and initial the references of record in the Supplemental IDS and that the references appear among the references cited on any patent that issues.

Allowable Subject Matter

Applicants thank the Examiner for the indication that claims 21-34 and claim 46 are allowable over the prior art.

Claim Objections

Claim 23 was objected to because of informalities. Applicants have amended claim 23 to correct the perceived informalities. No new matter has been added.

Claim Rejections under 35 U.S.C. §102

Claims 47 is rejected under 35 U.S.C. § 102(e) as being anticipated by Courtney et al. While Applicants do not agree that Courtney et al. describes or suggests a conductive polymer enclosure (10) made of a recycled metallized polymer substrate, to expedite prosecution

of the present application, Applicants are canceling claim 47. Applicants herein reserve the right to pursue the subject matter of claim 47 in a continuation application.

Added Claims

To more fully claim the novel aspects of the present invention Applicants have added claims 49-52. The new dependent claims depend from allowable independent claims 21 or 29 and should be allowable at least for that reason.

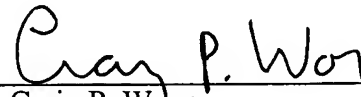

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested. If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 206-467-9600.

Respectfully submitted,

Dated: February 1, 2005
